Top Agent Gerard Scheffler is a hard-working, enterprising and dedicated real estate professional who is fast approaching twenty years in the real estate and mortgage industries. Named by Chicago Association of Realtors as one of their Top Producers each year since 2012, and with over \$660 million in sales and more than 3,000 closed real estate and mortgage

transactions, there are very few who are better suited to provide excellent service to anyone looking to buy or sell in the Chicagoland area.

Gerard moved to the United States from Poland in 1997, with only one small suitcase and less than \$500 to his name. He immediately set his sights on achieving success

in his new country, and began working as a car salesman, where he rapidly achieved that success. Then, Gerard set his entrepreneurial sights a little higher, and once again found rapid success as an insurance agent. Parlaying all he had learned up to that point, he opened his own mortgage brokerage which he

operated for several years before deciding to get his broker's license and open his own real estate company, the highly successful Home Gallery Realty Corp. in Park Ridge, Illinois.

The incredibly reputable Home Gallery Realty Corp. specializes in everything from

REO's to luxury sales, and Gerard himself has earned multiple continuing education industry designations, including the ADPR (Certified Distressed Property Representative) and the CRPM (Certified Residential Property Management). He is also a graduate of the Realtor Institute (GRI) and additionally, is also a licensed real estate broker in Florida.

Currently, almost the entirety of Gerard's considerable business is based on returning clients and referrals, a true

barometer of the excellent customer service he and his equally dedicated team are providing. "My motto is '*the name you can trust,*'" says Gerard, when asked how he has managed to inspire such impressive loyalty amongst his buyers and sellers. "I can proudly say that when someone comes to me for help, they are going to be well taken care of. I fully understand both the mortgage and the real estate sides. My clients know they can trust me, and that I will help them with my heart."

The appreciation Gerard's clients feel for him is perhaps best made evident by this glowing review on Zillow.com, on which site he holds a perfect five-star overall rating: *"Gerard is highly recommended. Both our buying and selling experiences were very professional and we couldn't*

*be happier that we worked with Gerard! He went above and beyond to make sure everything worked out smoothly and favorably for us."*

When Gerard isn't working, he is deeply committed to giving back to his

community. Gerard is involved with The Chicago Association of Realtors, The Asian Real Estate Association of America, and the National Association of Hispanic Real Estate Professionals. He also enjoys nothing more than spending time with his family, particularly in Florida, where he puts his

talents as a certified scuba diving instructor to good use.

“I love every single thing about real estate,” says Gerard, his sincerity obvious. “I honestly care about my clients and will go above and beyond every time they need me.”
